

Eco Chic

ECOCHIC	FIZZ 80	FIZZ 150
Capacidade de arrefecimento	80 (lt/h)	150 (lt/h)
Fornecimento contínuo	45 (lt)	80 (lt)
Temperatura água fria	3 - 10°C	
Ice bank capacity	14 (lt)	18 (lt)
Ice bank	5 kg	10 kg
Cooling technology	ICE BANK - Single Stainless Steel coil	
Condensation	Forced ventilation (Fan)	
Adjustable Thermostat	Yes	
Refrigerant Gas HC R290	50 gr	110 gr
Compressor Power	1/6 hp	1/3 hp
Pump	Professional carbonator pump	
Dispensing area height He	238 - 315 - 372 mm	
Typology	Countertop	
Supply	230 V - 50 Hz	
Power	500 W - 2,2 A	600 W - 2,6 A
Working Room Temperature	Min 5°C - Max 42°C	
NET WEIGHT	35 kg	40 kg
GROSS WEIGHT	45 kg	50 kg
Dimensions L x W x H	345 x 592 x 555 mm	488 x 589 x 555 mm
Dispensing	Cold sparkling water, Room temperature water, Cold still water	
Push buttons	Electronic button commands with intermittent or continual (on request) water supply	
Materials	All robust Stainless steel parts Plexiglass casing cover panel	
Other features	Safety inlet valve Easy access for complete service maintenance Available with mechanical outlet taps on request	
OPTIONAL		
WATER PRESSURE REDUCER	On demand (Outside the machine)	
Co2 PRESSURE REDUCER	On demand (Outside the machine)	
FILTERS	UVC OUTLET (Inside the machine)	Everpure 4C, UVC INLET and/or OUTLET (Inside the machine)
